

Reading Calendars

Reading for 20 minutes each night is a nightly homework requirement that students must complete in order to be successful in third-grade. Each month students will receive a reading calendar in which they will need to keep track of their nightly reading. They will indicate the number of minutes read on the calendar squares, and will indicate the book title and pages read on the back of the calendar.

At the conclusion of each month we will have a celebrate reading party. In order for your child to participate in this party he or she must have completed and returned his or her reading calendar for the month. Please sign the calendar before returning it to school at the end of the month. Remember that honesty is the best policy, if your student chooses not to read please mark the calendar accordingly.

Month: _____

This month my child read a total of _____ minutes.

He or she read _____ books.

Parent Signature:
